Discipline will be assessed as needed for violations listed under the "Code of Conduct" section. (*Please see pages 14-15*)

All Pleasant Valley Recreation and Park District sports leagues (male, female and co-ed) will be operated in accordance with the policies and regulations of the Pleasant Valley Recreation and Park District.

Team Discipline

Managers are responsible for all actions of his/her players. If necessary, a manager may have to discipline or remove a player(s) from the team to prevent any continual problems (see "Code of Conduct" pages 14-15).

Each manager shall ensure that their team is on the playing field at the designated hour.

Team Eligibility

All teams must file an official team roster in the District Office prior to the registration deadline set for the season to be eligible to play. Teams entering the Adult Softball League must post a registration fee. The registration fee should be paid prior to any practices or league games scheduled. The registration fee is payable to the Pleasant Valley Recreation and Park District either by cash, check, Visa, Mastercard, or American Express card.

If any team is deemed to be of higher caliber compared to its competition, than Pleasant Valley Recreation and Park District reserves the right to prohibit the team from playing or allow the team to move to a higher division the following season.

However, they may be placed on the roster providing they do not play until inter-school competition has terminated. It will be the manager's responsibility to notify the League Director when they sign students who are temporarily ineligible to play.

A pregnant player may not participate without written notification from her doctor.

Player Adds and Drops

Completed rosters are due at the time of registration. **No additions or drops will be allowed after 4:00 p.m. the Friday of your team's fourth scheduled week or unless specified on PVRPD's sports website except*:**

If a team falls below twelve (12) roster players or six (6) men/ six (6) women because of medical reasons, job transfers, work shift changes or any valid reason making the player(s) unable to compete for the remainder of the regular season. The manager may appeal to the League Director to add a player(s) to bring the roster up to twelve (12) players. This exception applies to regular season games only. **No additions will be made for playoff games.**

Player additions and drops must be filled out in writing using the District Softball Add/ Drop Form located at the Pleasant Valley Recreation and Park District office. This form should be submitted prior to 4:00 PM to be effective that night. Add/Drop Forms received after 4:00 PM will be considered effective the following business day. Sunday teams must submit their Add/ Drop Form by 4:00 PM Friday before their scheduled game.

This rule is only in effect if teams can add or drop players.

***Please Note:** Any player dropped from a team roster during the season will not be eligible to be added by the same team or another team in the same division. Player's part of a disbanded or dropped team will be eligible to be added by another team in the same division.

Illegal Players

Players must use their legal (no alias names) names listed on the team roster when playing. Any team that willfully falsifies a player's name in a game or has a player participating under an assumed name loses that game. The team manager or player responsible for the action may be suspended.

The Pleasant Valley Recreation and Park District reserves the right to see proper identification of any player questioned. This includes scorekeepers, umpires, and supervisors of the league asking for identification. Opposing managers may request to have a player in question show proof of identification. Any player unable to present positive identification to league officials will be considered an illegal player and prohibited from playing. The use of "illegal players" will result in an immediate forfeit.

Rules and Regulations

League Rules

Rules not specifically mentioned will be governed by the Southern California Municipal Athletic Federation of Rules. Line-ups must be ready before the scheduled game time. First and last names must appear on the scorecard.

Scheduled Game Time

The visiting team infields first. The home team infields after the visiting team. No batting practice is allowed.

Games must start at the scheduled game time if the preceding game is completed and both teams have eight (8) or more roster players. No player(s) name shall appear on the line-up card unless the player is available to play and is located on the premises. To list a team player that is not on the premises will mean forfeiture of the game.

Official Time

Game time is forfeit time. There is no grace period for the first game played Monday - Friday, & Sunday. The umpire will keep the official time. The official time will be announced to each manager at the start of each game.

Official Games

Games will not be rescheduled. Teams are required to play games as displayed on the schedule.

Seven (7) innings of play, 70-minute game time limit, or four (4) complete innings when called because of rain, darkness, or other cause will constitute an official game.

No new inning will begin after 70 minutes from the scheduled game time. If the time elapses during play, that inning will be completed if necessary, to determine a winner. If the field lights turn off at the scheduled 10:00 PM curfew, the final score will be listed from the last completed inning.

Games tied at the end of seven (7) innings or (70) seventy minutes will be extended a maximum of three (3) innings. If still tied at the end of three (3) innings, the game is considered complete and will be recorded as a tie. Tie games will not be rescheduled.

Forfeited Games

Any team forfeiting a game, for any reason, is responsible for payment of the full umpire fees for the game (\$30). When payment cannot be made on site the day of forfeit, it will be charged from the debit/ credit card on file the following business day *accompanied with a \$5 debit/credit card service fee.* Failure to make payment will result in the forfeiture of the next game and the team will be dropped from further league play. The team will not be eligible to register for the next scheduled season unless the outstanding fee balance is brought current.

If a team notifies the District Office the previous business day (Monday - Friday) before 5:00 PM, the forfeit fee will be waived. If rain or other events cause a postponement of a previously forfeited game, the forfeiture will be reversed, and the game will be played at the designated make-up date and time.

Any team forfeiting two games will be dropped from league play with the possibility of re-entering. A third forfeit will eliminate the team from further league play.

In the event of a team dropping out of the league before the end of the season, all games played before the team dropped will count as originally recorded in the league standings. All remaining games that have not been played will be awarded to the scheduled opponent as a forfeit win.

Substitutions

Non-Round Robin Style: Only the 8, 9 or 10 defensive players' names may appear on the line-up card. The manager, coach or substitute must notify the umpire immediately of any offensive or defensive changes. Any substitutes entering the game without being announced will be removed from the game. If a substitute enters the game unnoticed, any play made by or on the substitute shall be legal, but the substitute shall be removed when detected. Any player substituted on offense or defense may not return to the game at any time.

Round Robin Style: A team will have the option of batting their entire legal roster (18 players) or any number of players from 8-18. The batting order will be established before the game starts. The starting batting order must be followed, but defensive changes may be made at any time. The umpire does not need to be informed of any defensive changes, but must be informed of substitutions. Any batter failing to bat for any reason (except injury), regardless of the number of batters in the order is automatically out if a legal substitute is not available. The first time a batter fails to bat, *said batter shall not participate further in the game.* This space shall be skipped for the remainder of the game without further penalty.

Late Arrivals: Players arriving late may be added to the bottom of the batting order at the time they arrive.

Additional Rules

Games may be forfeited by the umpire if a team persists in using tactics that delay the progress of the game.

The umpire will keep the official score of the game. Score updates will be given every half-inning to each manager by the umpire. Any disagreements over the official score must be discussed with the umpire *before* the next half-inning begins.

Teams falling below 12 players can add players at any time during the regular season to maintain a minimum of 12 total players. **This exception applies to regular season games only. No additions will be made for playoff games.**

Teams *may* provide a "courtesy" catcher if their opponent has only 8 players. The catcher does not make plays. Once a "courtesy" catcher is installed he/she must play the entire game until the teams' 9th player arrives.

Pitching

Second Pitching Rubber – 50 Feet

Third Pitching Rubber – 56 Feet

The pitcher shall have one or both feet on the pitcher's plate during the release of his/her pitch. The pitching distance shall be fifty (50) - fifty-six (56) feet for both men and women. The ball must be delivered at a moderate speed with an underhand motion.

The pitcher shall present the ball by holding the ball in front of the body plane with the pitching arm.

A legally pitched ball must arc higher than the batter's head, yet not exceed a height of more than *sixteen (16) feet above the ground*. The ball must hit the home plate/extension mat on the ground to be considered a strike.

Pitchers will not be allowed to wear a sweatband, bracelet, or wristwatch on any part of their arm.

Pitchers will pitch from a "Pitcher's Box." The dimensions of this box are six (6) feet by two (2) feet and extends from the regular "Pitcher's Plate" backwards toward second base. The pitcher may deliver the pitch from any point inside the "Pitcher's Box." For rule enforcement, the "Pitcher's Box" is treated the same as the "Pitcher's Plate."

Batting

A team may bat round robin or non-round robin style. This must be determined before the game and the umpire must be notified. No more than ten (10) players can play defense at one time.

A home plate/extension mat, approximately seventeen (17") inches by thirty-four (34") inches will be used. If a legal pitch hits any part of the home plate/extension mat, it will be declared a "strike." If the ball does not hit the home plate/extension mat, it will be declared a "ball."

A batter may not bunt or chop using a downward motion to hit the ball. If this happens, a "dead ball" will be declared, and the batter will be called out.

If the batter swings at the ball after it bounces on the ground, plate, or plate extension, a "dead ball" will be declared, and the batter will be called out.

The batter will be declared out if he/she hits a second foul ball while having two (2) strikes.

If a pitcher desires to walk a batter intentionally, the pitcher shall notify the umpire at home plate, who shall award the batter first base. (See page 9, CO-ED League Rules)

If the batter swings at the ball after it bounces off the ground, plate, or extension mat, a "dead ball" will be declared, and the batter will be called out.

Batting Continued

The batter will start with one (1) ball and one (1) strike when he/she comes to bat.

One Up Home Run Rule (Mission Oaks Fields Only)

A team will be allowed to exceed one (1) over the fence home run more than the opposing team. If a team exceeds two (2) over the fence home runs more than the opposing team it will be declared an out.

First Base on Home Run Rule (Mission Oaks Fields Only)

If agreed upon by both coaches, a player that hits a home run over the fence only needs to touch first base, and their run will be counted. Any runners on base need to advance to the next base, touch it, and their run will be counted.

Bat Requirements

Bat barrels shall be made of wood or aluminum.

No 100% composite bats allowed. Handles may be composite, and the barrels only consist of aluminum. No wood or aluminum Fungo bats allowed. Bats shall not consist of titanium.

Outer surface of non-wood bats must be aluminum. No fiber wrapped or non-aluminum coated bats.

Bats must be designed for softball (No baseball bats) and can't be tampered with or altered, not limited to, sanding, corking, etc. Re-taping of handles is not considered altered. Newer bats shall have manufacture's label along with "Official Softball/ASA" stamp.

Older bats that have worn labels from long time usage will be left to the discretion of the game officials. Multi-walled bats are permitted (Aluminum only). Bats must not exceed the 1.20 BPF (Bat Performance Factor) rating or exceed the 98-mph limit.

The umpire has the authority to remove any bat that he/she questions that has been altered in any way. This decision is left entirely to the discretion of the umpire. The game shall be immediately forfeited by any team whose player takes a position in the batter's box with a bat that has been previously removed by the umpire in accordance with this rule.

Base Running

Base distance is sixty (60) feet. The batter-runner must touch the orange portion of first base while the defensive player uses the white portion when a play at first base is being made. If the ball reaches the outfield, the batter-runner may use either side of first base.

Base runners must remain in contact with the base until the ball is pitched (Ball leaves the pitcher's hand). Runners leaving the base before the ball is pitched will be declared "out" and the ball will be declared "dead" with no pitch on the batter.

If the ball is not hit, runners may advance at their own risk when:

- The catcher throws the ball to any fielder except the pitcher
- The ball is overthrown or mishandled by a fielder.
- It is a force play on the returning runner if there is no overthrow.

Sliding is allowed, but not mandatory. *A non-sliding base runner must avoid contact or interference with the defensive player.*

A defensive player may not **block** a base in attempting to prevent a runner from getting to that base. The runner will be declared safe. An offensive runner may not **run over** or **take-out** a defensive player to knock the ball loose. If this occurs, the runner will be ejected from the game. The umpire's judgment of this occurrence shall be final.

Note: An "out" will be declared and ball will be declared dead.

Any player on the same team can be a courtesy runner. Unlimited courtesy runners are allowed. Courtesy runners may only be used once per inning, even if the batting lineup cycles through the order.

Co-Ed League Rules

A team shall consist of ten (10) players. A game may be played with eight (8) or nine (9) rostered players without forfeit. A ***minimum of four women*** and four men must be in the game defensively when a team plays with 8 rostered players. When nine (9) players are present, there may be no more than five (5) of a gender on the field. With ten (10) players, a team may field five of each gender or six (6) females and four (4) males.

Players must bat in alternating order by gender - woman, man, woman, man, etc. When the number of males and females differ, the manager may bat either a set rotation or a round robin alternative. The manager must declare his batting order at the start of the game and may not deviate from that style for the remainder of the game.

A male batter who is walked on four consecutive balls with no strikes thrown during his time at bat shall be awarded second base. Base runners advance only if forced to vacate their bases. The following female must bat. An intentional walk after one strike does not apply to this rule.

The courtesy runner may be any runner of the same gender and team. Courtesy runners may only be used once per inning, even if the batting lineup cycles through the order.

A minimum of three (3) outfielders must remain behind the outfield restriction line (180-foot arc from home plate). When the batter hits a pitched ball the three (3) outfielders will be allowed to pass the outfield restriction line.

There are no restrictions on a player (man or woman) as to which defensive position he or she may play.

Teams falling below 6 male, or 6 female players can add players any time to maintain the equivalent of 6 of each gender during the regular season for a minimum of 12 total players. **This exception applies to regular season games only. No additions will be made for playoff games.**

Composite Bat League Rules (Thursday Men's C League)

All SCMAF and PVRPD Rules govern play. Except for the following which may conflict with the rules listed below:

- Twelve (12) foot pitch arc and over the batter's head. Result: will be considered an illegal pitch.
- After a batter receives or hits a foul for a second strike, the next strike or foul will result in an out. (i.e. 2 strikes must be fair.)
- No leadoffs. The runners may leave the base after the batter has contact with the ball. Batters that leave the base early will result in an out.
- Must re-touch on 1st and 3rd base. Runner's not re-touching will result in an out for the runner.
- No faking on pitches from the pitcher. Pitch must be made in one motion. Result: will be considered an illegal pitch.
- No new innings after sixty (60) minutes.
- ASA Approved bats only. It is at the discretion of the umpire to determine if a bat is legal or not. Bats deemed illegal must be put away and not used in PVRPD leagues again.
- Pitchers may pitch between the second (50 feet) and third (56 feet) pitching rubber.
- One (1) courtesy runner will be allowed per inning.
- California Tiebreaker. Game recorded as a tie after seven (7) innings or sixty (60) minutes.
- Fifteen (15) run rule after five (5) innings played.

Equipment

Footwear is required of all participants. Players may use rubber/plastic cleats or tennis shoes only. (Multi-purpose or soccer style shoes are recommended). No metal cleats, track, hard-soled shoes, or sandals of any kind will be allowed. Casts (plastic or other hard substance in its final form) are not permitted.

Gloves may be worn by any player. Mitts may only be used by the catcher and first-base player. White or gray Pitcher's gloves are not allowed. Multi-color gloves are acceptable for all other players. Gloves displaying white or gray circles on the outside giving the appearance of the ball are illegal for all players.

Jewelry Rule

To prevent injuries, jewelry may not be worn during softball games without protective covering (tape, etc.). If there is no protective covering remove **ALL** jewelry which includes earrings, neck chains, wrist watches, bracelets, rings, or any body piercings.

Music Rule

The following rules are in effect with regards to music played at Pleasant Valley Fields, Mission Oaks Fields, or any Softball Leagues maintained and operated by Pleasant Valley Recreation and Park District.

- 1) Music may not be played before, during, or after softball games.
- 2) iPods may not be worn by any player during games.
- 3) Do not bring Boomboxes or speakers inside the dugout, bleachers, or near the softball fields.

Rain Out Policy

If the daily or evening games appear to have a high chance of rain or if the field conditions are wet due to previous rainfall, managers are encouraged to contact the Pleasant Valley Recreation and Park District office after 3:00 PM to check if games will be postponed or cancelled.

All rained-out or postponed games may be made up at the end of the season. The rained-out games shall be replayed in the order of their cancellation beginning the first week after the conclusion of the regular season. If time does not permit a replay of games missed, **only** games affecting first place will be played.

Protests

All rule protests must be made verbally to the umpire by the manager immediately following the situation and prior to the next pitch. The protest must then be recorded on the scorecard and signed by the protesting manager and the game umpire.

Protests must be made before the next pitch (legal or illegal). Protests may only be made on rule interpretations. Decisions made by the umpire regarding judgment will not be accepted for protest.

All rule protests must be made in writing and filed to the District Office using the Protest & Complaint Form. This form must be completed before 5:00 PM the next business day following the disputed game. Protests filed must be accompanied by a \$10.00 protest fee. This fee will be refunded if the protest is upheld. All protests regarding illegal players will be directed toward the umpire and the opposing manager. In the event of a person playing under an assumed name, the protest must be made prior to the end of the game, at which time the player in question will sign the score sheet and present identification. Without identification, the player will be assumed illegal and a forfeit victory will be awarded. If an illegal player is noticed by the District staff, corrective action may be taken at any time during the season.

If the protest is allowed, or disallowed, a final decision will be given to both managers regarding the protested game by the League Director.

League Champions for Spring, Summer & Fall Six (6) Team Leagues with Playoff Procedures

During the ten (10) week Spring, Summer and Fall league, each team will play all other teams two (2) times for a total of ten (10) regular season games. The champion will be determined by best record.

1. League champions will be determined by the best overall record in the ten (10) week season.
2. If upon completion of league play, two teams are tied for first place, the first tie-breaker is head-to-head competition. If a tie exists in head-to-head competition a playoff game will be arranged (1st place only). Playoff games will require a mandatory I.D. check of all eligible players on the roster playing in the playoff game.
3. In the event there is a three team (or more) and that two teams have the same total number of lowest of runs scored against them versus the other two teams, the first tiebreaker would be: head-to-head competition. In the event, that there is still a tie, a coin flip will determine who receives the bye.

Tie Breaker Order – three teams with two teams having the same total number of lowest of runs scored against them versus the other two teams:

1. Head-to-head Competition
2. Highest total of runs scored against the other two teams
3. Coin Flip
4. If three teams are tied for first place, a playoff will be arranged. In a three-team playoff, the team with the lowest number of runs scored against them versus the other two teams will be given the bye. A mandatory I.D. check of all eligible players on the roster playing in the playoff game will be conducted.
5. A flip of the coin will determine home teams in all playoff games and the time limit rule may be implemented in the playoff games, with the exception of the championship game— all other regular season rules apply. (*Playoff games may be played on any weekday evening or on weekend days or nights depending on field availability.*)

The following guidelines have been developed to help in this process of classifying teams equally. It is hoped that these guidelines will develop consistency in the classification process. We encourage you to use these guidelines. They are intended as an aid to assist in classification consistency and should not be misinterpreted as absolute rules to follow.

The League Director with assistance from team managers will classify their own team before the season begins using the Softball Team Roster Form.

Addendum

Blood Rule

A player or coach who is bleeding or who has an open wound shall be prohibited from participating further in the game until appropriate treatment has been administered. If medical treatment or care can be administered in a reasonable time, the individual would not have to leave the game. (The length of time considered reasonable is umpire judgment.) If there is an excessive amount of blood on a uniform, it must be changed before that individual may continue playing.

The official will be responsible for determining whether an open wound or bleeding condition requires treatment. The umpire will also determine in his/her judgment if a uniform/clothing needs to be changed due to excessive blood.

It is highly recommended that teams bring first-aid supplies to each game to treat potential bleeding situations. It is each team's responsibility to provide bandages & dressings and administer appropriate care for a player determined by the umpire to need treatment.
