

**PLEASANT VALLEY RECREATION AND PARK DISTRICT
STAFF REPORT / AGENDA REPORT**

TO: POLICY COMMITTEE

FROM: MARY OTTEN, GENERAL MANAGER
By: Jessica A. Puckett, CPRE, Administrative Analyst

DATE: June 16, 2026

**SUBJECT: CONSIDERATION AND APPROVAL OF REVISIONS
AND UPDATED ORDINANCE NO. 8 AND GENERAL
USE POLICY**

BACKGROUND

As the District evolved, ordinances were developed to control the use of District facilities. The ordinances provided language for all aspects of the use of parks and facilities. Initially, each set of ordinances was assigned a number which resulted in Ordinance numbers one through six, each maintained as a separate document. Based on a need to have one concise document listing, all ordinances were consolidated by staff and legal counsel to create Ordinance No. 7 in May of 2009.

With the development of the park patrol program and the need to identify, establish and enforce ordinances and the citation process, Ordinance No. 8 (Ordinance) was developed and initially adopted in May 2010. The Ordinance was updated in April 2011, June 2015, and again in January 2018. At the October 2, 2023, Board Meeting, the Board approved the ordinance currently used by the District containing significant updates to reflect grammatical and spelling errors, and changes in use of facilities and parks.

The General Use Policy (Policy), first approved by the Board on July 1, 2009, serves as the foundational framework governing the day-to-day request and utilization of District facilities. Within its content lies a comprehensive set of guidelines and well-defined processes, designed to facilitate easy access to these facilities and their associated properties. Moreover, this document serves as an invaluable resource for residents, offering insight into the specific policies dictating the utilization of these community spaces. Within the Policy, you can find language pertaining to crucial aspects such as the application process, permit issuance, fees and charges (excluding the actual fees themselves), organization classification for priority facility uses, miscellaneous charges, regulations concerning the possession and sale of alcoholic beverages, as well as provisions addressing liability concerns. The General Use Policy was last updated in October 2023.

Consistent with Public Resources Code Section 5786.17 and the provisions of this Ordinance, Rangers are authorized to warn and evict persons, and issue citations for any misdemeanor or infraction violation of District ordinances, rules and regulations, and applicable municipal laws or ordinances, and state law, when the violation is committed within District Lands and in the presence of the Ranger issuing the citation. In accordance with Government Code Section 53069.4, the District may make any violation of District ordinance(s), including this Ordinance, subject to a civil or administrative penalty in lieu of issuance of a citation for an infraction. Sections 106 through 108 set forth the procedures governing the District's imposition, enforcement, collection, and administrative review of administrative penalties. The term "administrative penalty" in this Ordinance is also referred to as "civil penalty".

SECTION 106- ADMINISTRATIVE PENALTY PROCEDURES

This section establishes the administrative procedures for the imposition, enforcement, collection, and review of civil penalties by the District pursuant to Government Code Section 53069.4.

The issuance of a civil or administrative penalty under this section is solely at the District's discretion and is one option the District possesses to address violations of this Ordinance. By adopting these provisions, the District does not intend to limit its discretion to utilize any other remedy, civil or criminal, for any violation of the Ordinance.

A Citee may request a preliminary review of a citation within 14 days of the date the citation is issued. The Citee must submit a completed preliminary review request form, a copy of the citation, and any additional information demonstrating the reason(s) why there was no violation or why the Citee is not a responsible person for the violation to the District's Park Services Manager. The purpose of the review is to identify any improper citations due to errors that are readily verifiable and not to resolve factual disputes concerning the citation.

The preliminary review shall be conducted by the District's Park Services Manager or designee(s). The reviewer shall not be the enforcement officer who issued the citation.

If the determination of the preliminary review is that the citation is improper, the citation shall be dismissed. The Citee shall be notified of the results of the review in writing within 15 working days of receipt of the request.

A request for preliminary review does not extend any time periods for compliance, the penalty due date, or the time to request an administrative hearing.

Any Citee may contest a civil penalty citation by filing a signed written request for an administrative hearing stating the grounds for contesting the citation. The request must be received by the address set forth on the Citation, within 35 days of the date the citation was served and be accompanied by a deposit of the full amount of the penalty.

Within ten (10) days following the receipt of a request for an administrative hearing and deposit of the full citation amount, the District, or the District's authorized agent shall schedule an administrative hearing. The date of the hearing shall be no more than 90 days later than the date the request for the hearing was filed. The District or the District's authorized agent shall notify the Citee of the date of the hearing.

The Hearing Officer may grant a one-time continuance of a hearing for no more than 45 days if a request is made showing good cause by the citee or the District's designated representative. All continuance requests must be made in writing and received at least 72 hours before the hearing date. If the request for continuance is denied, the hearing shall proceed as noticed. A Citee who requests a continuance waives their opportunity for a hearing within 90 days of the date the citation is issued.

A Hearing Officer shall conduct the hearing on the date set by the District or the District's authorized agent. The Citee shall have the opportunity to appear, testify and to present evidence relevant to the violation alleged in the citation. The Citee may file a written declaration at least 48 hours prior to the hearing in lieu of personally attending the hearing. The citation shall be accepted by the Hearing Officer as prima facie evidence of the violation and the facts stated in the citation. Neither the enforcement officer nor any other District representative shall be compelled to attend the hearing. However, any such appearance or submission may be made at the discretion of the enforcement officer.

The hearing shall be conducted informally, and formal rules of evidence need not be utilized. The Hearing Officer does not have the authority to issue a subpoena.

The failure of the Citee to appear at the hearing or to file written testimony prior to the hearing shall constitute an abandonment of the request for an administrative hearing and a failure to exhaust administrative remedies concerning the violation and any penalty deposit shall be forfeited to the District.

After considering all evidence and testimony submitted at the administrative hearing, the Hearing Officer shall issue a written decision to uphold or dismiss the citation within 20 working days after conclusion of the hearing. The Hearing Officer has no discretion or

authority to reduce or modify the amount of any fine. The decision shall state the reasons and evidence considered for the decision. If the decision is to uphold the citation, the deposited penalty shall be forfeited to the District. If the decision is to dismiss the citation, the District shall refund the penalty deposit within 30 days of the decision. The Hearing Officer's continued employment, performance evaluation, compensation, and benefits shall not directly or indirectly be linked to the number of citations upheld or cancelled by the officer.

Notwithstanding any other provisions of this Ordinance or otherwise, the administrative hearing decision is final and not subject to appeal or further review by the District or any person. The District or Citee may seek judicial review of the administrative hearing decision by filing an appeal with the Ventura County Superior Court in accordance with state law.

SECTION 107- ADMINISTRATIVE PENALTY CITATIONS

Upon determining that a provision of this Ordinance has been violated, a Ranger has the authority to issue a civil penalty citation to any Responsible Person. A Responsible Person upon whom a citation is served is liable for and shall pay the penalties described in the citation. A citation may be issued for the violation of one or more ordinance sections and for each day that the violation exists. Hence, each ordinance violation is a separate violation and subject to a separate penalty. Civil penalty citations shall contain the following information:

- Name of the Responsible Person;
- Address or other description of the location where the ordinance violation occurred;
- Date on which the ordinance violation(s) occurred;
- The ordinance section(s) violated;
- Brief description of the violation;
- Amount of the penalty;
- Procedure to pay the penalty;
- Description of the procedure for requesting a Preliminary Review, and an Administrative Hearing to contest a citation.
- Printed name and signature of the issuing Ranger;
- Date the citation is served; and
- A distinct citation number.

A Ranger may personally deliver the citation to the Citee, place the citation on the Citee's vehicle, or mail the citation by first class mail to the Citee's last known address.

SECTION 108- PAYMENT OF ADMINISTRATIVE PENALTIES/CITATION

Administrative penalties for violations shall be as follows:

1. A fine of \$100 for the first offense in any 12 month period;
2. A fine of \$200 for any 2nd offense in any 12 month period;

3. A fine of \$500 for any third or subsequent offense in any 12 month period.

Citations shall be paid, in the manner set forth on the citation within 35 days of the due date. Citations not paid in accordance with the provision of this Ordinance are civil obligations of the responsible party and may be collected by the District through any legal means. Payment of a citation shall not excuse the Citee from correcting the ordinance violation.
