MARY OTTEN

July 31, 2020

To our valued customers and friends:

We have received updated clarification regarding our status as an indoor aquatic facility. The state of California has provided clarification to the County of Ventura that categorizes indoor pool facilities such as the Pleasant Valley Aquatic Center as an indoor fitness center under the governor's closure order from 07/13/2020. As such, the Pleasant Valley Aquatic Center will be closed indefinitely at end of business on Friday, July 31, 2020.

We know this is a bit of a surprise, an inconvenience, and in many cases, a frustration. It is still unclear as to when we might be able to open our doors again and what our offerings at that time might be, but rest assured we will be doing our best to make the facility as safe as possible for you upon eventual reopening.

As far as our programming is concerned, we plan to offer the following options for patrons with lap swim and private swim lesson reservations:

### **Lap Swim**

- Patrons scheduled for the Week of August 3 – First right of refusal for first week of reopening
- Patrons scheduled for the Week of August 10 – First right of refusal for second week of reopening

### **Private Swim Lessons**

- Participants scheduled for Saturday Lessons beginning July 11 – Existing reservations will be pro-rated and patrons will be given first right of refusal for first set of reopened Saturday lessons.
- Participants scheduled for Swim Lessons beginning August 3 – First right of refusal for first set of reopened weekday lessons.
- Patrons scheduled for Swim Lessons beginning August 17 – Second right of refusal for first set of reopened swim lessons and first right of refusal for the second session of reopened weekday lessons.

We appreciate your patience in these difficult times and look forward to being able to open our doors to you once again. Please feel free to reach out to us at the number or email below with any questions.

Sincerely,

**Connor Soudani**, Recreation Specialist
