## COVID-19 Warning

The Pleasant Valley Recreation and Park District, and Camp Funtastic by extension, adhere to all federal, state, county and city guidelines and mandates regarding COVID-19. As is the case with any other illness or medically contagious condition, campers are NOT allowed to attend camp if they are ill with, or show symptoms of, COVID-19. Depending on the severity at the time, some field trip organizations we visit may require masks and/or proof of COVID-19 vaccination. We will update parents of these circumstances as they present themselves.

If your child tests positive for COVID-19 and they are at camp, the Camp Director is to be notified and the child must be picked up as soon as positive status is known. The children can return if **one** of the following criteria is met:

- 10 days have passed since the date of the positive test.
- Your child receives a negative test taken 5 days after their initial positive test, they have been fever free for 24 hours and they do not have symptoms or symptoms are improving. We will require proof of a negative test.
