#1 The question was asked:

Looking at the cost breakdown sheet, a number of the line items are double and tripling up the same items. For example, item 17, 20 cross over with 21, 22, 23, and 24. Will a new bid form be given?

Answer: No, these need to be priced out separately as it reads. They will be in the overall price the District just wants a breakdown.
