NOTICE INVITING PROPOSALS FOR PROFESSIONAL SERVICES TO PROVIDE SOUND AND LIGHTING SERVICES FOR THE 2022 SUMMER CONCERT SERIES

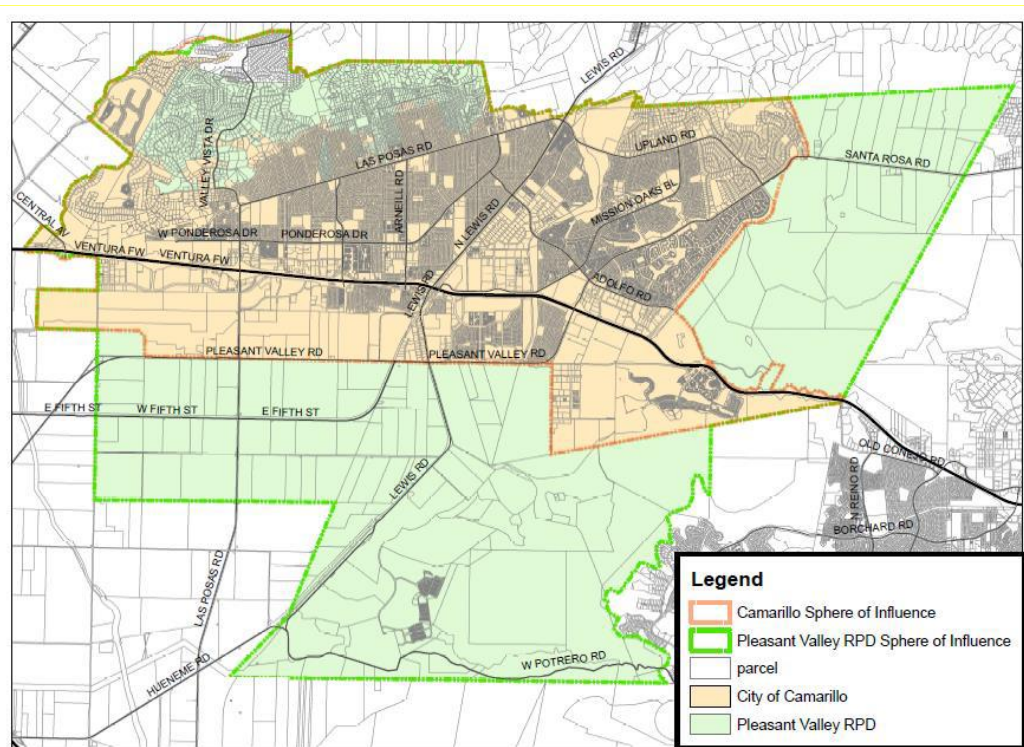

Introduction

The Pleasant Valley Recreation and Park District (“District”) is issuing this Request for Proposals (“RFP”) from experienced and qualified musical providers (“Contractor”) to perform all sound and lighting elements at the 2022 Summer Concert Series to be held on June 25, July 16, August 6 & 27, 2022.

District Background

The District, an independent special district, was formed in January 1962 under the State Public Resources Code of California. The birth of the District was approved by the voters in the Camarillo community to provide quality programs, parks and facilities that could be enjoyed by everyone. The District is located in and around the city of Camarillo, serves a population of over 70,000 and covers an area of approximately 45 square miles. It has grown from one park to 28 parks since its inception 60 years ago. Within the District, a variety of recreational facilities exist including: a senior center, an indoor aquatic center, a community center, dog parks, lighted ball fields, tennis and pickleball courts, a running track, walking paths, premier soccer fields, hiking trails, picnic pavilions, children’s play equipment, and barbeque areas. The City of Camarillo, incorporated in 1964, is a separate entity from the District, however, they do add recreational and cultural service value and amenities to the community by owning two small parks, a trail system and full-service library that it operates independently of the District.

Below is a map that displays the District’s and the City’s respective Spheres of Influence:

The successful Contractor to whom work is awarded shall, within 30 days of Board approval, enter into a contract with the District for the work in accordance with the specifications and shall furnish all required documents necessary to enter into said contract.

The District reserves the right to enter into a contract without further discussion of the submitted proposal. Therefore, the proposal should be initially submitted on the most favorable terms the proposer can offer.
